This seychelles island is so beautiful but praslin such a good airport and I love it!. Not recommend at all. All aircraft are burried underground. Gsx cannot recognize parking spots. Avoid it.. Don't fall for it don't make the same mistake!!!!!!!!!!!!!! it wont show up on your flight sim!!!! Don't get it!! graet for most any plane to fly and explore in as well as float planes.like island hopping which have good texter really do feel like Im in paradise.
